4.0 READING OF PREVIOUS MINUTES

The previous minutes of the 31st Annual General Meeting of the Bank was read and accepted by the shareholders.

5.0 CHAIRMAN'S REPORT

The Board Chairman, Hon. Dr. Alex Adomako-Mensah, read the Chairman's Report as captured on pages 7 to 10 in the Annual Report and Financial Statement of the Bank.

He said it was his pleasure and that of the Board of Directors and Management to report to the shareholders the Bank's performance for the year ended 31st December,2023, in accordance with the requirements of the Companies Act 2019, (Act 992.)

He also touched briefly on the Ghanaian economy and how it had impacted the financial performance, operating environment, and strategic priorities of the Bank.

a. GHANAIAN ECONOMY AND THE OPERATING ENVIRONMENT

The Board Chairman indicated that the year 2023 saw a gradual recovery in economic activities, that is, post domestic debt exchange programme (DDEP).

He informed shareholders that, even though growth remained below expectations, the Real GDP was 2.9% and this was driven by the services and agriculture sectors as compared to 3.1% in 2022.
Finally, he indicated that the banking sector experienced notable growth as the negative impact stemming from the domestic debt restructuring and macroeconomic difficulties diminished.

b. OPERATIONAL AND FINANCIAL PERFORMANCE OF THE BANK

The Chairman highlighted the performance of the Bank for the year 2023. He stated that the Bank recorded a strong financial result for the year, and this was attributed to aggressive deposit mobilization.

Firstly, he indicated that the Bank revenue grew by 55.86% from GHS27,427,716 in the year 2022 to close at GHS42,749,563 in the year 2023, whilst the expenditure also grew marginally by 7.82% to close at GHS38,937,366 as compared to GHS36,112,480.00 in the year 2022.

Secondly, the Bank made a profit before tax of GHS3,812,197.00 in the year under review, as compared to a loss of GHS8,674,764.00 in 2022, which was as a result of the implementation of the DDEP.

Furthermore, the balance sheet of the Bank remained strong with total assets of GHS263,406,559.00, indicating a growth of 35.3% as compared to GHS194,679,231.00 in the year 2022.

The Bank's total deposit grew from GHS192,401,603.00 in the year 2022 to GHS255,024,626.00 in the year 2023, representing an increment of 32.55%. This was driven by improved product offerings and increased customer confidence in the Bank's brand.

Finally, he appreciated the continuous support of the customers and the hardworking staff of the Bank. He assured shareholders that the Board and Management are committed to remain resolute to formulate strategic policies to improve on the deposit mobilization whilst minimizing the corresponding market risk associated.

c. IMPLEMENTATION OF CAPITAL RESTORATION PLAN

The Board Chairman informed shareholders that, during the latter part of the year 2022, the Government of Ghana undertook the Domestic Debt Exchange Programme (DDEP). He said that under the DDEP, the government invited certain bondholders of the domestic notes and bonds issued by the Government to exchange them for a package of new bonds with lower coupons and longer tenor.

The implementation of the Domestic Debt Exchange Programme negatively impacted the capital adequacy ratio of the Bank; hence, the Board developed a three-year capital restoration plan to correct the negative capital adequacy ratio as required by the Bank of Ghana.

Finally, he indicated that, in line with the Capital restoration plan, the Bank was able to mobilise additional share capital of GHS712,971.00 and also made a profit after tax of GHS1,544,841.00 in the year 2023, contributing towards achieving the objectives of the plan.

d. DIVIDEND

The Board Chairman reported to shareholders that, on the 12th day of April,2021, the Bank of Ghana issued notice with number BG/GOV/SEC/2021/06 directing Banks to suspend declaration of dividend until the Bank certifies certain conditions or seeks prior approval from the Bank of Ghana before the dividend is declared.

In light of the directive, the Board wrote to seek approval from the Bank of Ghana to declare a dividend in 2023, but unfortunately, the Bank of Ghana declined the request. Therefore, the Board regretted to inform the shareholders that they were unable to recommend a dividend payment for 2023.

e. CORPORATE SOCIAL RESPONSIBILITY (CSR)

The Chairman reported that the Bank supported with a total amount of GHS479,181.00 as corporate social responsibility for the year 2023.

The key among the areas supported were:	GHS
Donations to institutions	70,200.00
Farmers Day	22,820.00
Apebiakyere Septic Tank	20,000.00
Traditional Councils	73,040.00
Scholarship (School fees)	46,331.00
Woraso Health Center Support for Renovation	29,791.00
Other Donations / Contributions	216,999.00

f. BOARD SIZE AND ELECTION OF DIRECTORS

The Charman indicated that two directors, namely, Dr. Kodua Addai-Mensah and Rev. Prince Baffour-Ofori, had served their three-year term as directors of the Bank and have also presented themselves for re-election to serve on the Board for another three-year term in accordance with the Bank of Ghana Corporate Governance Directive and Section 325 of the Companies Act,2019 (Act 992).

He also stated that two persons, Mr. Asare Bediako Micah and Mr. Asare Kyere, had applied to become directors of the Bank and had presented themselves to be elected.

Therefore, four persons would be contesting for the two available vacancies of the directorship of the Bank.

Finally, he said that the Board and Management, in compliance with the Corporate Governance Directive, had submitted the necessary documents of Mr. Prince Opoku-Kusi, who was elected at the last Annual General Meeting as a Board Member by the shareholders of the Bank, to the Bank of Ghana and were therefore waiting for the approval.

g. FUTURE STRATEGIC PROJECTIONS

The Chairman assured shareholders of the continuous success of the Bank through its strategic agenda to be among the first five top Rural and Community Banks in Ghana. In view of that, the Board and Management have been engaging in aggressive deposit mobilization by developing new products and services and strategies to maintain the growth of the Bank's deposits and total assets.

In addition, the Board and Management had adopted effective measures in managing credit and other operational risks, which would result in the reduction of the non-performing loans whilst ensuring equitable distribution of the assets of the bank by granting quality loans and investing in low-risk investments to maximize profitability.

The Chairman further stated that, as part of the Bank's strategic priorities, the Board and Management had taken advantage of the e-banking products such as Ghana Pay, e-Zwich, and RCBs Mobile Banking.

He finally, assured Shareholders that Board and Management are committed to improving and strengthening the internal controls to ensure that the growing assets are protected.

h. ACKNOWLEDGEMENT, CONCLUSION AND APPRECIATION

The Chairman expressed his profound appreciation to the Paramount Chief of Kumawu Traditional Council, Barima Sarfo Tweneboah Kodua, the shareholders, and all other stakeholders for the confidence reposed in the Board.

Furthermore, he thanked Management and Staff for the impressive performance in the year under review, in spite of all the difficulties that confronted the banking industry and the economy as a whole.

He also asked for the unflinching support of all in the subsequent years.

6.0 DIRECTORS' REPORT

Rev. Prince Baffour-Ofori, a member of the Board of Directors, presented to shareholders the Directors' Report with the Audited Financial Statements of the Bank for the year ended 31st December,2023 in accordance with the requirement of Section 136 of the Companies Act 2019 (Act 992) as enshrined in page 15 and 16 of the 2023 Annual Report and Financial Statement of the Bank.

The report focused on the following;

1) Principal Activities
2) Financial Statements
3) Results and Dividend
4) Directors' Assessment of the State of Affairs
5) Approval of the Financial Statements
6) Corporate Social Responsibility
7) Building Directors' Capacity
8) Auditors' Fees

7.0 INDEPENDENT AUDITOR'S REPORT

The Bank's External Auditors, Asamoa Bonsu & Co., presented their independent report to shareholders, as set out on pages 18-20 of the 2023 Annual Report and Financial Statement. The report captured the following;

i. Auditors' Opinion
ii. Basis of the Opinion
iii. Auditors' Independence
iv. Key Audit Matters
v. Responsibilities of Management and Directors for the Financial Statements
vi. Auditor's Responsibilities for the Audit of the Financial Statement
vii. Legal and Regulatory Requirements

Hon. Henry Donkor moved for the acceptance of the reports, and it was seconded by Mr. Dwabeng Yaw Gabriel.

8.0 DISCUSSION OF REPORTS AND MATTERS ARISING.

The main issues that came up for discussion were on declaration of Dividends, Corporate Social Responsibility, Minor not allowed to attend AGM, Auditor's fees, and others.

8.0.1 PAYMENT OF DIVIDEND

Mr. Hubert Agyenim Boateng wanted to know the reason for not declaring dividend in the 2023 financial year. He also pleaded with the Board and Management to work hard to enable the Bank declare dividend in the 2024 financial year.

Mr. Joseph Believer Nkrumah pleaded with the Shareholders to bear with the Board as it was not their intention not to declare dividends, but hoped that dividends would be declared at the next AGM.

The Chairman of the Board of Directors responded that the Board was not pleased with not declaring dividends for the past three years. He, however, urged shareholders to bear with the Board as they were working hard to ensure that dividends are been declared at the next AGM.

8.0.2 CORPORATE SOCIAL RESPONSIBILITY

Mr. Hubert Agyenim Boateng pleaded with the Board to increase the budget for corporate social responsibility. He also suggested that the pictures of the items presented as corporate social responsibility should be captured in the Annual Report and Financial Statement.

Mr. J. A. Acheampong also pleaded with the Board and Management to extend the corporate social responsibility to other communities within the Kumawu District.

Hon. Henry Donkor suggested to the Board to consider building a hostel for the Kumawu Nursing Training College to generate income for the community.

Mr. Owusu Y. Kofi also suggested to the Board to consider building a community center for the Kumawu community. The Chairman assured shareholders that the Board would consider all the suggestions made to them.

8.0.3 LOAN DEFAULTERS

Mr. Hubert Agyenim Boateng pleaded with the Management of the Bank to work hard to reduce the non-performing loans, as this could pose a potential risk to the Bank.

The Chairman assured shareholders that measures had been instituted to recover all the non-performing loans from the customers.

8.0.4 AGM INVITATION
Hon. Henry Donkor pleaded with the Board to consider the use of SMS as one of the means to invite the shareholders to the AGM

The Board Chairman assured him that the Bank would use SMS as one of the means of inviting shareholders to the AGM.

8.0.5 SHAREHOLDERS EDUCATION
Mr. Addo Frank suggested to the Board to educate the shareholders on the importance of purchasing more shares and the need for savings.

The Chairman responded that the Board would consider the proposal and will educate shareholders on the importance of purchasing more shares and the need for savings.

8.0.6 PAYMENT OF LOCKED-UP INVESTMENT
Hon. Henry Donkor wanted to know whether the Government was paying the locked-up investment in Bonds.

The Chairman responded that the Government had been paying the coupons on the bond. He also assured the shareholders that the bank would recover all the locked-up funds from the Government.

8.0.7 BODOMASE BRANCH BUILDING
Mr. Owusu Y. Kofi wanted to know when the Board was going to start the building project at the Bodomase branch. The Board responded that the Bank had written to BoG for approval to start the project. Therefore, the Board will start the project immediately upon approval by the Bank of Ghana.

The Board also informed shareholders that the Bank had acquired a plot of land at Tafo to put up Bank premises, pending approval from the Bank of Ghana.

8.0.9 ACQUISITION OF SHARES
Mr. Addo Frank indicated that the bank's inability to pay dividends was gradually discouraging shareholders from purchasing more shares.

Mr. Freduah Agyemang also pleaded with shareholders not to be discouraged from subscribing for more shares. He advised shareholders to subscribe for more shares to enable the Bank to meet the capital adequacy ratio.

The Chairman, in his response, pleaded with shareholders to bear with the Board and continue to subscribe for more shares to help the Bank meet the capital adequacy ratio.

8.10. OTHER ISSUES RAISED
Mr. Hubert Agyenim Boateng pleaded with Management to control costs, especially the Director's expenses. Mr. Frank Addo thanked the Board for implementing all the suggestions made during the last annual general meeting. Secondly, he wanted to know why the BoG did not assign a reason for not approving some of the new Directors. Lastly, he advised the Shareholders to put the interest of the bank first.

Mr. Joseph Believer Nkrumah applauded the Board, Management, and Staff for the impressive performance during the year 2023.

The Board Chairman responded that Bank of Ghana has the right not to assign any reasons for the disapproval of directors. Therefore, the chairman urged the shareholders to bear with the decisions of the Bank of Ghana.

Furthermore, the Chairman informed shareholders that the increase in the Directors' expenses was a result of the Board meetings and other Board subcommittee meetings, which were held every month.

9.0 RESOLUTION TO FIX EXTERNAL AUDITORS' FEES

Mr. Kofi Bio Owusu moved for a motion to authorise the Directors to fix the External Auditors' fees, and was seconded by Mr. Richard Gyamfi.

10.0 RESOLUTION TO FIX DIRECTORS' REMUNERATION

The Shareholders fixed the Director's monthly remuneration and sitting allowance as follows;

	SITTING ALLOWANCE	REMUNERATION
Board Chairman	1,500.00	1,000.00
Vice Chairman	1,300.00	1,000.00
Other Board Members	1,200.00	1,000.00

11.0 SPEECHES

ARB APEX BANK PLC

The representative of ARB Apex Bank Plc read the speech on behalf of Mr. Alex Akwasi Awuah, the Managing Director of ARB Apex Bank. He thanked the Board, Management, and staff for their contributions towards the Bank's impressive performance and also praised the shareholders for their support.

He further indicated that the main purpose of setting up Rural and Community Banks was to accept deposits and to grant loan facilities to the members of the communities to help them grow their businesses.

He also said that the Managing Director, Mr. Alex Akwasi Awuah, was extremely happy that the Bank's performance had improved significantly, despite all the challenges facing the economy.

He thanked the Board and Management for helping the people of Kumawu and its catchment areas through employment, scholarships, loans, and donations.

He indicated that the survival of ARB Apex Bank depends on the strength of the Rural Banks. Therefore, he advised the Management and staff to work hard to grow the Bank.

He also touched on the DDEP and hinted that the ARB Apex Bank was in serious talks with the government to pay the fund to Rural Banks.

He urged the Shareholders to purchase more shares to boost the share capital of the Bank to enable the bank meet the Capital Adequacy ratio.

Furthermore, he encouraged the shareholders to patronise the agency banking, internet banking, and RCB mobile banking.

He also commended Management and the entire staff of the Bank for the good work done.
Finally, he congratulated the Shareholders, Board, and Management for holding a successful AGM.

ASSOCIATION OF RURAL BANKS (ASHANTI CHAPTER)
Dr. Prince Stephen Adom Attakorah represented the Ashanti Chapter of the Association of Rural Banks. He gave the statistics of the number of Rural Banks in Ghana and those in the Ashanti Region.

He thanked the Shareholders, Board and Management for having a successful AGM and also thanked Management and Staff for the great work done during the financial year.
He expressed gratitude to the Board and Management for their outstanding work, despite the DDEP.

Furthermore, he advised Shareholders to purchase more shares to increase the bank's capital.

Moreover, he urged shareholders and stakeholders to repay their loans, to enable the bank to continue granting more loans.

Furthermore, he pleaded with the Board and Management to extend the corporate social responsibility to other communities.

He advised shareholders to remain patient with the Board, as the inability to pay dividends was a challenge for most Banks in Ghana.

Again, he pleaded with shareholders to help the Board achieve the GHS5.1million share target capital in the year 2025.

Lastly, he reminded Management and staff of their oath of secrecy and asked each staff member to be mindful of their communication with outsiders to prevent the spread of false information about the Bank.

KUMAWU TRADITIONAL COUNCIL
Kumawu Traditional Council was represented by Nana Okyere Baffour, the Amanfromhene, who read the speech on behalf of Barima Tweneboah Koduah.

Nana thanked the Almighty God for such a wonderful day. He indicated that Barima Tweneboah Koduah was pleased with the bank's performance and therefore expressed gratitude to the Board, Management, and Staff for their good work.

Barima also expressed gratitude to the Bank for the support it provided during the final funeral rites of his uncle.

The Chief pleaded with the Board to increase the amount budgeted for corporate social responsibility so that Kumawu and its environment could benefit more.

He urged the Board to start the AGM on time and also manage the AGM proceedings well to ensure an early closure, as most shareholders do not eat beforehand.

Nana advised loan defaulters to repay their loans to avoid potential risks to the bank.
Moreover, Nana advised the Board, Management, and Staff not to relent on their performance.

Finally, Barima promised his support for the Bank and also thanked everyone for coming and prayed for God's traveling mercies for the participants.

12.0 ELECTIONS OF THE BOARD OF DIRECTORS

The Board Chairman informed Shareholders that two directors, Dr. Koduah Addai-Mensah and Rev. Prince Baffour-Ofori, have completed their three-year terms on the Bank's Board and have offered themselves for re-election to serve another three-year term, in accordance with the Bank of Ghana Corporate Governance Directive and section 325 of the Companies Act 2019 (Act 992).

He also said that two persons, Mr. Asare Bediako Micah and Mr. Samuel Asare Kyire, had applied to become directors of the Bank. Therefore, the Chairman presented all four candidates to the Shareholders.

The Electoral Commissioner conducted the election fairly and transparently. The two vacant positions were contested by four persons, namely: Dr. Koduah Addai–Mensah, Rev. Prince Baffour-Ofori, Mr. Asare Bediako Micah, and Mr. Samuel Asare Kyire.

At the end of the voting, the Electoral Commissioner declared the results as follows;

SN	NAME OF CANDIDATE	SHARES ACQUIRED	PERCENTAGE (%)
1	Mr. Asare Bediako Micah	8,462,353.00	49.25

BOARD CHAIRMAN'S REPORT

INTRODUCTION

Nananom, Distinguished Shareholders, Invited Guests, Colleague Members of the Board, the Managing Director of ARB Apex Bank, Directors and CEO's of sister Rural Banks, the Press, Management, Staff, Ladies and Gentlemen.

I am greatly honoured to welcome you all to the 32nd Annual General Meeting of Shareholders of Kumawuman Rural Bank PLC.

On behalf of the Board of Directors, it is with great pride and profound gratitude that I present to you the performance highlights of our dear Bank for the year ending 31st December, 2024 in accordance with the requirements of the Companies Act 2019, Act 992.This past year has been a remarkable one in our journey, as we demonstrated resilience, innovation, and growth amidst a challenging economic environment.

Ladies and gentlemen, I will provide a brief report on the Ghanaian economy and how it impacted our financial performance, operating environment and strategic priorities.

GHANAIAN ECONOMY AND THE BANKING INDUSTRY

The Ghanaian economy in 2024 demonstrated remarkable resilience and recovery, outperforming earlier projections despite lingering global and domestic challenges. Real GDP expanded by 5.7%, compared to 3.8% growth in 2023. This expansion positioned Ghana among the faster-growing economies in Sub-Saharan Africa during the year. However, inflation remained a persistent challenge, averaging 22-23%, far above the Bank of Ghana's target band of 8 ± 2%. Price pressures were driven by food, energy, and exchange rate pass through effects. Also, high inflation eroded household purchasing power, and debt servicing pressures which constrained fiscal space.

Similarly, the banking industry in Ghana experienced significant recovery and growth in 2024 following the effect of the DDEP in the preceeding years. Total industry assets grew by over 33 percent, reflecting renewed confidence in the sector and prudent balance sheet management by banks. Deposits, the foundation of banking operations, also recorded remarkable growth of about 29 percent. In spite of the the strong growth and expansion of the industry, Non Performing Loans (NPL) continued to be a challenge of banks. The industry's NPL ratio hovered around 24 percent in the third quarter before easing slightly to 21.8 percent by year-end, still above the prudential norms.

Ladies and gentlemen, I am excited to inform you that in spite of the challenges that erupted from the economy and the industry, the Board of Directors and Management took advantage of the opportunities available through strategic initiatives to spearhead the Bank's growth in the year under review. Please permit me to delve deeper into the financial performance of our Bank.

OPERATIONAL AND FINANCIAL PERFORMANCE OF THE BANK

The bank recorded strong financial results for the year, which were attributable to aggressive deposit mobilization.

Total revenue grew by 63.64% from Gh¢ 42,749,563 in the year 2023 to close at Gh¢ 69,956,195 in the year 2024. Total expenditure also grew marginally by 19.44% to close at Gh¢ 45,431,976 as compared to Gh¢ 38,037,366 in the year 2023.

Ladies and Gentlemen, I am elated to inform you that our bank made a profit before tax of Gh¢ 24,524,219.00 in the year under review, as compared to a profit of Gh¢ 4,712,197 in 2023, representing an overwhelming growth of 420.44%.

Furthermore, the Bank's balance sheet remained strong with a total asset base of Gh¢401,868,562 as compared to Gh¢263,406,559 in the year 2023, indicating a growth of 52.57%.

Additionally, the Board of Directors and Management's proactive strategic measures boosted growth in the Bank's deposits, which stood at Gh¢ 370,678,918 compared to Gh¢ 255,024,626 in the year 2023, representing a growth rate of 45%. This performance was driven by improved product and service offerings coupled with the dedication and resilience of the Bank's Management and staff who went against all odds to achieve this great performance. Also, the high growth of the deposits shows the confidence the general public and our cherished customers reposed in the Bank.

We appreciate the continued support of our loyal customers and the hard-working staff of the Bank. The Board and Management are resolute to continue to formulate strategic policies and plans to improve on deposit mobilization while miniminsing the associated corresponding market risk.

Nananom, distinguished guests, ladies and gentlemen, the share capital of the Bank also increased from Gh¢ 3,674,917 in 2023 to Gh¢ 4,704,429 in 2024, representing a growth rate of 28.01%.

We believe that the strength of our balance sheet, risk management practices, customer confidence, and digital banking will be the catalyst that will drive our financial performance in the coming years.

CALL FOR MORE CAPITAL INJECTION

Distinguished shareholders, in line with the capital restoration plan that was developed by the Board in the year 2022, which sought to raise additional capital of GH 5.1million within three years, the Board of Directors continued the quest to mobilise additional capital for the Bank and have so far mobilised Gh¢1.74 million out of the required Gh¢ 5.1 million.

Nananom, distinguished shareholders, our Bank needs the injection of more capital, and we once again call on you to purchase more shares to raise the remaining capital of Gh¢3.3m.

DIVIDEND

Fellow shareholders, I know we have long awaited for the payment of dividends, but the wait is over. I am excited to inform you that the Board have recommended the payment of an amount of Gh¢ 900,590 as dividends. We believe this new dawn will encourage all shareholders to buy more shares.

CORPORATE SOCIAL RESPONSIBILITIES

Distinguished shareholders, in pursuance of the Bank's vision to promote community development in our catchment areas, and make progress towards a more inclusive, sustainable, and prosperous future, the Bank extended support to communities, Institutions, and Projects totaling Gh₵ 493,173. ELECTION AND RE-ELECTION OF DIRECTORS

Fellow shareholders, distinguished Ladies and Gentlemen, I wish to inform you that I, Hon. Dr. Alex Adomako-Mensah, Chairman of the Board of Directors, my term of office comes to an end after this AGM. I have wholeheartedly served our dear bank for 9 years, and as required by the Corporate Governance Directive issued by the Bank of Ghana, the maximum term for directors is nine (9) years. Also, one of our directors, in the person of Madam Lydia Owusu-Afriyie, has served her three-year term and has presented herself for re-election in accordance with the Bank of Ghana Corporate Governance Directive and section 325 of the Companies Act, 2019 (Act 992).

Nananom and fellow Shareholders, I also present to you two (2) persons in the name of Mr. Akwasi Aduse-Poku and Mr. Andrews Emmanuel Nti who have applied to become directors of the Bank and hereby present themselves to you to be elected. In all, three persons are contesting for the two available vacancies of the directorship position of the Bank. Furthermore, Mr. Sampson Larbi Boateng has also been recommended to join the Board as Co-opted Member to contribute his knowledge to the Bank.

FUTURE STRATEGIC PRIORITIES

Fellow shareholders, the Board and management are still pursuing the strategic agenda to become among the first five top lists of Rural and Community Banks in Ghana. In view of that, the Board, through Management, is embarking on aggressive deposit mobilization by developing new products and services and strategies to maintain the growth of the Bank's deposit and total assets.

In addition to the above, the Board and Management have adopted effective measures in managing credit and other operational risks, which will result in the reduction of our non-performing loans and assets, while ensuring equitable distribution of the assets of the Bank by granting quality loans and investing in low-risk investment sectors to maximize profitability.

Again, as part of the Bank's strategic priorities, the Board and Management have taken advantage of the e-banking products such as GhanaPay, E-zwich, RCB Mobile Banking, and Agency Banking to expand the Bank's customer base. I therefore encourage all our customers to utilize our e-banking services.

Furthermore, the Board and Management will continue to improve and strengthen internal controls to ensure that the growing assets are protected from major risks associated with the growth we are experiencing.

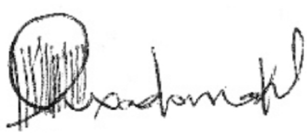
ACKNOWLEDGEMENT AND CONCLUSION

Nananom, distinguished shareholders, ladies and gentlemen, I wish to express my earnest gratitude to the Paramount Chief of Kumawu Traditional Council, Barima Sarfo Tweneboa Kodua, and all other traditional rulers present here, and to my colleague directors, past and present, for your unflinching support and contributions.

On behalf of the Board, I also extend our profound appreciation to all our shareholders for the confidence reposed in us and our cherished customers for trusting the Bank with your business and hard-earned money.

I also acknowledged the Management and entire staff of the Bank for their hard work, commitment, and dedication shown during the period under review. Thank you for gracing this memorable occasion.

God Bless As All….



HON. DR. ALEX ADOMAKO-MENSAH
(BOARD CHAIRMAN)

CORPORATE GOVERNANCE REPORT
TO THE MEMBERS OF KUMAWUMAN RURAL BANK PLC

Kumawuman Rural Bank PLC has a good governance practice that ensures that governance is at the center of its core values. The Bank implements effective Corporate Governance principles in its operations as a whole. The Board ensures that the Bank complies with the applicable provisions on Corporate Governance in the Banks and Specialised Deposit Taking Institutions Act 2016, (Act 930) and the Companies Act 2019, (Act 992) as well as the principles of best practices. The Bank has structures and processes set out in its regulations and policies, including the Board Charter which promotes transparency, disclosures and accountability.

The Board of Directors

The Board of Directors of the Bank has the overall responsibility for ensuring compliance with the legal and regulatory provisions on Corporate Governance. The Board is ultimately responsible for ensuring that the best practices of Corporate Governance are maintained and adhered to in order to promote effective governance of the Bank. The following structures have been put in place for the execution of the Bank's Corporate Governance strategy:

1 Board of Directors
2 Board Committees
3 The Chief Executive Officer
4 Deputy Chief Executive Officer
5 Key Management Members

As at 31st December 2024, Kumawuman Rural Bank PLC had 4 Members of the Board of Directors, namely:

1	Hon. Dr. Alex Adomako Mensah	Chairman
2	Mr. Charles Kwadwo Nimoh	Vice Chairman
3	Madam Lydia Owusu Afriyie	Member
4	Nana Abena Amoakohene Kissi	Member

The Board of Directors executes the major part of its mandate and responsibility through its Committees. The Committees include the following:

1 The Credit Committee
2 The Audit, Finance, Risk & Compliance Committee
3 The HR Committee
4 The Procurement & ICT Committee
5 The Education & Property Committee

The Committees work in line with policies and laid down procedures with governance issues as the underlining principle.

Key Responsibility

The mandate of the Board of Directors is to act in the best interest of the Bank by ensuring that the core purpose of the Bank is achieved. The Board provides overall guidance policy direction and oversight in the Bank's strategic direction, policy formulation and is the ultimate decision-making body of the Bank.

The roles of the Board Chairman as well as the non-executive Directors and the Chief Executive Officer are separated and clearly defined.

The Chairman of the Board and the Directors are primarily responsible for the working of the Board whilst the Chief Executive Officer is responsible for the day-to-day operations of the Bank in accordance with the Board's strategic plans and policy direction. The Board is ultimately responsible for the Bank's structure and area of operation, financial reporting, as well as ensuring that there is in place an effective system of internal control, risk management and compliance.

The Board has the authority to delegate matters to Directors, Committees, the Chief Executive Officer and the Management Committee. The Board regularly reviews the Bank's performance, matters of strategic concerns and any other material matters.

The Board meets quarterly. However, additional meetings may be convened as the need arises. Similarly, Committee meetings are scheduled on quarterly basis with the exception of the following Committees.

a) The Credit Committee

To facilitate approval of loans, the Credit Committee meets monthly.

b) The Education and Property Committee

The Committee meets only when there are requests for educational support that has to be considered.

There is self-evaluation of members of the Board on an annual basis.

Directorship

In line with the Corporate Governance Directives issued by the Bank of Ghana, the Board has put in place a succession plan for gradual replacement of Directors over a three-year period in compliance with the directives as indicated below.

The Bank, by an open and transparent selection and vetting processes, shall ensure that the normal rotational processes are made to suit new Directors to replace those exiting from time to time.

Accordingly, the Board Charter emphasises on the recruitment of highly qualified management staff and very qualified directors with proven integrity, and shall ensure that the Board is made up of persons who must possess qualifications in the areas of Accounting/Finance, Banking, Law, and Education. The succession plan therefore is as follows:

Accordingly, the Board Charter emphasises on the recruitment of highly qualified management staff and very qualified Directors with proven integrity, and shall ensure that the Board is made up of persons who must possess qualifications in the areas of Accounting/Finance, Banking, Law, and Education. The succession plan therefore is as follows:

Financial Reporting

The Board has presented a balanced assessment of the Bank's position and prospects. The Board is mindful of its responsibilities and is satisfied that in the preparation of its Financial Report, it has met its obligation under the Board Charter and applicable legal provisions.

The Directors make themselves accountable to the shareholders through regular publication of the Bank's Annual Financial Reports and holding of Annual General Meetings (AGM). The Board has ensured that the Bank's reporting procedures are conveyed on the most recent infrastructure to ensure accuracy. These procedures involve the monitoring of performance throughout the financial year, in addition to monthly reporting of the key performance indicators. Asamoa Bonsu & Co. were the external auditors to the Bank for the 2024 financial year.

Internal Control

The Bank is mindful of the importance of its internal control functions in the general operations and has put in place effective control systems to ensure that the Bank's operations are carried out in a safe, objective and effective manner. The Board reviews the effectiveness of the system through regular reports which are submitted at Committee and Board meetings.

1 **Anti–Money Laundering**

The Board and Management of the Bank are committed to ensuring compliance with the statutory provisions in the Anti-Money Laundering Act,2020 (Act 1044) and the applicable regulations and guidelines. Staff are continuously trained on the Bank's anti-money laundering policies to ensure strict compliance.

2 **Conflicts of Interest**

The Bank ensures strict compliance with the legal provisions on conflicts of interest and disclosures. The Bank ensures discolsure of Interest by Directors and Key Management Personnel. The laid down policies and procedures of the Bank's businesses ensure that the law is strictly complied with to reduce any conflicts of interest that may arise and where there are conflicts, there are effective means of disclosing the conflict of interest.

3 **Shareholding Rights**

The Board ensures that general meetings are held annually in accordance with law and the shareholders are provided with all information as required by statute in respect of the Bank's general operations. Shareholders are treated equally and provided adequate time and equal opportunity to have clarifications on the Banks published Financial Statements at General Meetings.Shareholders have the right to inspect shareholders register within the working hours.

4 **Annual Certification**

The Board certifies that for the financial year ended 31st December 2024, the Bank has complied with the provisions of the Corporate Governance as contained in Banks and Specialised Deposit Taking Institution Act, 2016 (Act 930) and Companies Act, 2019 (Act 992) as well as the best practice, including but not limited to:

KUMAWUMAN RURAL BANK PLC
FINANCIAL STATEMENTS FOR THE YEAR ENDED
31ST DECEMBER, 2024

STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RELATION TO THE DIRECTORS' REPORT AND THE FINANCIAL STATEMENTS

The Companies Act, 2019, (Act 992) requires the Directors to prepare Financial Statements for each calendar year, which give a true and fair view of the state of affairs of the Bank and of their Profit or Loss for the year.

The Banks and Specialised Deposit-Taking Institutions Act, 2016, (Act 930) requires every bank to prepare annually as at 31st December of each year Financial Statements and returns in accordance with that Act.

In preparing these Financial Statements, the Directors are required to:

a. Select accounting policies, which comply with the Companies Act, 2019, (Act 992), Banks and Specialised Deposit-Taking Institutions, Act 2016, (Act 930), Anti-Money Laundering Act, 2020, (Act 1044) (AML) and in accordance with International Financial Reporting Standards and to apply them consistently.

b. Make judgements and estimates that are reasonable and prudent.

c. Ensure applicable accounting standards have been followed and any material departures disclosed.

d. Ensure the Financial Statements are prepared on a Going Concern basis unless it is inappropriate to presume that the Bank will continue in business.

The Directors are responsible for the preparation of these Financial Statements in accordance with International Financial Reporting Standards and ensuring that the Bank keep accounting records which disclose with reasonable accuracy the Financial Position of the Bank and which enable them to ensure that Financial Statements comply with the Companies Act, 2019, (Act 992), Banks and Specialised Deposit-Taking Institutions Act, 2016, (Act 930), and Anti-Money Laundering Act, 2020, (Act 1044) (AML). They are also responsible for safeguarding the assets of the Bank and hence taking steps for the prevention of fraud and other irregularities, as well as designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the Financial Statements that are free from material misstatements.

The above Statement which should be read in conjunction with the Report of the Auditors, is made with a view to distinguishing for shareholders the respective responsibilities of the Directors and the Auditors in relation to these Financial Statements.

KUMAWUMAN RURAL BANK PLC
FINANCIAL STATEMENTS FOR THE YEAR ENDED
31ST DECEMBER, 2024

REPORT OF THE INDEPENDENT AUDITOR TO THE MEMBERS

Report on the Audit of the Financial Statements
We have audited the Financial Statements of Kumawuman Rural Bank Plc, which comprise the Statement of Financial Position as at 31st December, 2024, and the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and Notes to the Financial Statements, which include a summary of significant accounting policies as set on pages 34-66

Our Opinion
In our opinion, the accompanying Financial Statements show a true and fair view of the Financial Position of the Bank as at 31st December, 2024, and of its Financial Performance and Cash Flows for the year then ended in accordance with the International Financial Reporting Standards, the requirements of the Companies' Act, A299 the Banks and Specialised Deposit-Taking Institutions, Act 2016, (Act 930) and the Anti-Money Laundering Act, 2020, (Act 1044) (AML).

Basis of Opinion
We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants’ Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code.

Independence
We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters
Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Financial Statements of the current year. These matters were addressed in the context of our audit of the Bank's Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There was no key audit matter to be reported on.

Responsibilities of Management and Directors for the Financial Statements
As described on Pages 22, 28 and 30 the Bank's Directors are responsible for the preparation of these Financial Statements in accordance with Companies Act, 2019, (Act 992), Banks and Specialised Deposit-Taking Institutions Act, 2016, (Act 930) and the International Financial Reporting Standards (IFRS). This responsibility includes designing, implementing, and maintaining internal control as Management determines is necessary and relevant to the preparation and fair presentation of the Financial Statements that are free from material misstatements, whether due to fraud or error, and selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

In preparing the Financial Statements, Management is responsible for assessing the Bank's ability to continue as a Going Concern, disclosing, as applicable, matters related to Going Concern and using the Going Concern basis of accounting unless Management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Management and Board of Directors are responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.

- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- conclude on the appropriateness of Management's use of the Going Concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a Going Concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a Going Concern.

- evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Bank to express an opinion on the Financial Statements. We are responsible for the direction, supervision and performance of the Bank's audit. We remain solely responsible for our audit opinion.

We communicated with Management and Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a Statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements
The Companies Act, 2019 (Act 992) requires that in carrying out our audit we consider and report on the following matters. We confirm that:

a) We have obtained all the information and explanations which we considered necessary for the performance of the audit.

b) In our opinion, proper books of account have been kept by the Bank, so far as appears from our examination of those books; and

c) The Statement of Financial Position (Balance Sheet) and Statement of Comprehensive Income (Profit or Loss Account) of the Bank are in agreement with the books of account.

d) In compliance with section 143 of the Companies Act. 2019, (Act 992), we are independent of the Bank.

The Banks and Specialised Deposit-Taking Institutions Act, 2016, (Act 930) requires that we state certain matters in our Report. We hereby certify that:

i) The Financial Statements give a true and fair view of the State of Affairs as at 31st December, 2024 of the Bank and the results for the year ended on that date.

ii) We obtained all the information and explanation required for the efficient performance of our audit.

iii) The Bank's transaction were within its powers; and

iv) The Bank has generally complied with the provisions in the Companies' Act, 2019, (Act 992), the Banks and Specialised Deposit-Taking Institutions, Act 2016, (Act 930), the Anti-Money Laundering Act, 2020, Act (1044), (AML) and International Financial Reporting Standards.

NOTES TO THE FINANCIAL STATEMENTS

1 NATURE OF OWNERSHIP AND OPERATIONS

The Bank was incorporated as a Public Limited Liability Company on 13th November, 1981 with Registration No. CS111582016 under the Companies' Act 2019 (Act 992) in Ghana. The Bank was issued with a licence on 10th January, 1984, with Licence No. 056 by Bank of Ghana to operate a business of Banking.

1.1 Functional and Presentational Currency

The Financial Statements are presented in Ghana Cedis (GH¢) which is the Company's functional currency.

2.0 ACCOUNTING POLICIES

The significant Accounting Policies adopted by the Bank and which have been applied in preparing these Financial Statements are stated below:

2.01 Basis of Accounting

These Financial Statements have been prepared under the historical cost convention but modified in appropriate areas by the adoption of Fair Value measurement basis in compliance with International Financial Reporting Standards, IFRS, requirements, as for Investments and Financial Assets and Financial Liabilities measured at Fair Value. The Bank of Ghana Guideline 'Guide for Financial Publication for Banks and BOG Licensed Financial Institutions' for 2016 and 2018 and the IFRS require certain disclosures to be complied with in applicable areas. These guidelines have not been so completely complied with and to this extent, the Financial Statements are not in compliance with the Bank of Ghana Guideline 'Guide for Financial Publication for Banks and BOG Licensed Financial Institutions' for 2016 and 2018 International Financial Reporting Standards, IFRS.

2.02 Revenue Recognition

Revenue is recognised on accrual basis and to the extent of the economic benefits expected to flow to the Bank and that the Revenue can be reliably measured as provided hereunder.

2.03 Interest Income and Expense

Interest income and expense are recognised in the Statement of Comprehensive Income in respect of interest bearing Financial Instruments including Loans and Advances as interest accrues using the Effective Interest Rate method. This method calculates the amortised cost of a Financial Asset or Liability and allocates the Interest Income or Interest Expense also the discount rate applicable to future cash flows (receipts or payments), over the life of the Financial Asset or Liability to its net carrying amount.

2.031 Non-Interest Income

Commission and Fees are earned on accrual basis on services such as Funds Transfer on completion of the transaction.

2.04 Dividend

Interest calculated using the effective interest method is recognised in the Statement of Comprehensive Income. Dividends on equity instruments are recognised in the income statement when the Bank's right to receive payment is established.

2.05 Income Tax

Income Tax comprises Current Tax and Deferred Tax.
Current Tax relates to determination of expected payable tax from the Profits of the Financial Statements in relations to Tax obligations imposed from by legislation of Ghana.

Deferred Income Tax relates to Tax Provision on all Temporary differences at the Financial Position date arising from Tax bases of assets and liabilities and their carrying amounts. Deferred Tax Assets are the recoverable taxes of future periods which include deductible Temporary differences. Deferred Tax Liabilities are the recognised payable Taxable Temporary differences on future taxable profits. Deferred taxes(Assets or Liabilities) are calculated using the enacted rate expected to be applicable in the period when the asset is realised or the liabilities settled.

Deferred Tax Assets and Liabilities are offset when they arise in the same tax reporting entities and relate to income taxes of the same taxation authority, and when a legal right to set-off exists.

The carrying amounts of Deferred Tax Assets or Liabilities are reviewed at the end of each reporting date and adjusted to reflect the new values through the Profit or Loss.

2.06 Financial Instruments Categorisation, Initial Recognition and Subsequent Measurement

2.061 Categorisation

The Bank classifies its Financial Assets into those measured at Fair Value through Profit or Loss and those measured at Amortised Cost; and Financial Assets measured at Fair Value through Other Comprehensive Income.

2.062 Date of Recognition

Purchases and Sale of Financial Assets are recognised on the Transaction date.

2.063 Initial Recognition of Financial Instruments

Financial Instruments are initially recognised at their fair value plus, in the case of Financial Assets or Financial Liabilities not at Fair Value through Profit or Loss, transaction costs that are directly attributable to the acquisition or issue of the Financial Asset or Financial Liability.

2.064 Subsequent Measurement of Financial Instruments

(a) Financial Assets at Fair Value Through Profit or Loss

A Financial Asset at fair value through Profit or Loss is that which meets either of the following conditions.

Held for Trading

A Financial Asset is classified as Held for Trading if it is acquired principally for the purpose of selling in the near future, or is part of a portfolio of identified financial instruments that are managed together and for which there is evidence of a recent actual pattern of short-term profit-taking.

Designated at Fair Value through Profit or Loss

Upon initial recognition as Financial Asset, it is designated at fair value through Profit or Loss. Financial Assets at fair value through Profit or Loss are measured at fair value subsequent to initial recognition. Gains or Losses upon subsequent measurement are treated in Profit or Loss.

All equity instruments are measured at fair value.

(b) Financial Assets Measured at Amortised Cost

A Financial Asset is measured at amortised cost if the following conditions are met:

(i) The Asset is held within a business model whose objective is to hold assets in order to collect contractual Cash Flows.

(ii) The contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Term Loans to customers come under this category. They are initially recognised when cash is advanced to the borrowers at fair value, inclusive of transaction costs. Subsequent to initial recognition, Term Loans are measured at amortised cost less impairment losses.

(c) Financial Assets Measured at Fair Value Through Other Comprehensive Income

Securities including investments in money market and equity shares, other than those classified as trading securities, or at fair value through Profit or Loss, are classified and recognised in the Statement of Financial Position at their fair value. Other Financial Assets that are neither cash nor categorised under any other category also come under this classification.

Financial Assets measured at fair value through Other Comprehensive Income are measured at Fair Value with gains and losses arising from changes in Fair Value recognised directly in Other Comprehensive Income until the Financial Asset is either sold, becomes impaired, or matures, at which time the cumulative gain or loss previously recognised in equity is recognised in Profit or Loss.

(d) Financial Liabilities

Financial Liabilities are classified as non-trading, held for trading or designated as at fair value through Profit and Loss. Non-Trading Liabilities are measured subsequent to initial recognition at Amortised Cost applying the effective interest method. Held for Trading Liabilities or Liabilities designated as at fair value through Profit or Loss, are measured at fair value. All Financial Liabilities shown in the Statement of Financial Position are non-trading liabilities.

2.065 Determination of Fair Value of Financial Instruments

i. Availability of Active Market

The fair value of a financial instrument traded in active markets such as the Ghana Stock Exchange (GSE) at the reporting date is based on its quoted market price without any deduction of transaction costs.

ii. Non-Availability of Active Market

Equity investments that do not have a quoted market price in an active market and whose fair value cannot be reliably measured are measured at cost. However, Fair Values for such equity investments, are determined from the declaration of capital appreciations by the investee organisation of amounts so declared in the form of additional shares in the equity holdings. Investments whose fair value can be reliably measured are measured professionally through the use of valuation techniques.

iii. Short-Term Receivables

The fair value of short term receivables approximate book value and are measured as such.

2.066 Offsetting of Financial Instruments

Financial Assets and Financial Liabilities are offset when there is a legally enforceable right to do so and the net amount stated in the Statement of Financial Position. This happens when there is the intention settle on net basis or realise the Financial Asset and redeem the Financial Liability.

2.067 Derecognition of Financial Assets and Liabilities

A Financial Asset or a portion thereof, is derecognised when the Bank's rights to cash flows has expired or when the Bank has transferred its rights to cash flows relating to the Financial Assets, including the transfer of substantially all the risk and rewards associated with the Financial Assets or when control over the Financial Assets has passed.

A Financial Liability is derecognised when the obligation is discharged, cancelled or has expired.

2.068 Impairment of Financial Assets

(a) Framework for measuring impairment of Financial Assets .

At each reporting date the Bank assesses whether, as a result of one or more events occurring after initial recognition, there is objective evidence that a Financial Asset or group of Financial Assets has become impaired.

Evidence of impairment may include indications that the borrower or a group of borrowers is/are experiencing significant financial difficulty, default or delinquency in interest or principal payments, or the fact that the debt is being restructured to reduce the burden on the borrower.

If, in a subsequent year, the fair value of a debt instrument increases and the increase can be objectively related to an event occurring after the impairment loss was recognised in the Income Statement, the impairment loss is reversed through the income statement.

b) Loans and Advances and Amounts due from Banks & other Financial Institutions

For loans and advances to customers and amounts due from banks and other financial institutions carried at amortised cost, the Bank first assesses individually whether objective evidence of impairment exists individually for Financial Assets that are individually significant, or collectively for Financial Assets that are not individually significant. If the Bank determines that no objective evidence of impairment exists for an individually assessed Financial Asset, whether significant or not, it includes the asset in a group of Financial Assets with similar credit risk characteristics and collectively assesses them for impairment. Assets that are individually assessed for impairment and for which an impairment loss is, or continues to be recognized, are not included in a collective assessment of impairment.

If there is objective evidence that an impairment loss has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows (excluding future expected credit losses that have not yet been incurred). The carrying amount of the asset is reduced through the use of an Allowance Account and the amount of the loss is recognised in the Profit or Loss.

Loans together with the associated allowances are written off when there is no realistic prospect of future recovery and all collaterals have been utilised or have been transferred to the Bank and all the necessary procedures have been completed.

If, in a subsequent year, the amount of the estimated impairment loss increases or decreases because of an event occurring after the impairment was recognised, the previously recognised impairment loss is increased or reduced by adjusting the Allowance Account. If a write-off is later recovered, the recovery is credited to the Profit or Loss and charged to the Allowance Account ('Credit Loss Expense').

The present value of the estimated future cash flows is determined using the Financial Asset's original effective interest rate. If a loan has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate.

For the purposes of collective evaluation of impairment, Financial Assets are grouped on the basis of the Bank's internal credit grading system that considers credit risk characteristics, such as asset type, industry, geographical location, collateral type, past-due status and other relevant factors.

(c) Other Financial Assets

In the case of equity investments, objective evidence would include significant or prolonged decline in the fair value of the investment below its cost.

In the case of other debt instruments, impairment is assessed based on the same criteria as Financial Assets carried at amortised cost. If, in a subsequent year, the fair value of a debt instrument increases and the increase can be objectively related to an event occurring after the impairment loss was recognised in the Income Statement, the impairment loss is reversed through the Income Statement.

3 Regulatory Credit Risk Reserve

To cater for any difference between the Bank of Ghana's Credit Loss Provision requirements and Loans and Advances Impairments based on IFRS Principles, a charge or credit is made to Income Surplus in respect of the difference required to bring up the cumulative provision to the level required under the Bank of Ghana regulations. Under current regulations the Credit Risk Reserve does not qualify as Tier 1 Capital for the computation of Capital Adequacy.

4 **Property, Plant and Equipment**

The Bank recognises an item of Property, Plant and Equipment as an asset when it is probable that future economic benefits will flow to it and the amount meets the materiality threshold set by the Bank.

Property, Plant and Equipment are stated at Cost or revalued amount less Accumulated Depreciation and any impairment in value. Depreciation is provided on the depreciable amount of each component on a straight-line basis over the anticipated useful life of the asset which is determined in percentages. The depreciable amount of each asset is the difference between the cost/revaluation and the residual value which is set to zero of the asset. No depreciation is provided on Land.

The residual value is the estimated amount, net of disposal costs, that the Bank would currently obtain from the disposal of an asset in similar age and condition as expected at the end of the useful life of the asset. In the last year or period of the charge of depreciation to Profit or Loss, the depreciation amount is reduced by GH¢1 so that the asset has GH¢1 value to give an indication of the existence of the item of Property, Plant and Equipment.

The current Annual Depreciation rates for each class of Property, Plant and Equipment are as follows:

Buildings	5.0%
Office Equipment	25.0%
Office Furniture & Fittings	20.0%
Motor Vehicles	33.3%
Computers	25.0%
Bank Premises Renovation	5.0%
Capital Work-In-Progress	

Costs associated with routine servicing and maintenance of assets are expensed as incurred. Subsequent expenditure is only capitalised if it is probable that future economic benefits associated with the item will flow to the Bank.

The carrying values of property, plant and equipment are reviewed for indications of impairment when events or changes in circumstances indicate the carrying value may not be recoverable. If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets or cash-generating units are written down to their recoverable amount.

The recoverable amount of property, plant and equipment is the greater of net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the item) is included in the Income Statement in the year the item is derecognised.

Residual values, useful lives and methods of depreciation for Property, Plant and Equipment are reviewed and adjusted if appropriate, at each financial year end.

5. Use of Estimates and Judgement

The preparation of Financial Statements in conformity with IFRSs requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amount recognised in the Financial Statements are described in Notes 4.

6 RISK MANAGEMENT

The Bank's operations come with these risks: Credit, Market, Liquidity and Operational.

6.1 Credit Risk

To the Bank, Credit Risk is the likelihood that a receivable from a financial instrument issued by the Bank to a borrower is unlikely to be received regarding the principal with or the interest according to the terms contained in the financial instrument. This will result in economic loss to the Bank.

The Credit Risk arises from largely Loans and Advances to customers.

The Credit Risk is managed through the systems and controls established by the Credit Department that ensures that periodic review of the status of the receivable at every stage from application to completion of the repayment of the advance by the borrower. The Credit Department submits reports of the performance of the Loans and Overdrafts to a Credit Committee which takes appropriate actions for recovery. Credit facilities are monitored for early warning signals of non-performance. The maximum amount of Credit Risk emanating from these sources is as follows:

6.2 Market Risk

Market Risk is the potential of losses arising from movements in market prices such as Interest Rates, Exchange Rates, and Equity and Commodity Prices. Currently, the Bank's activities expose it to Interest Rate risks with no exposure to exchange rate, equity or commodity price risks. The Interest Rate risk is inherent in the Bank's Financial Assets and Liabilities such as Loans, Customer Deposits and Borrowings.

6.3 Liquidity Risk

Liquidity Risk is the potential loss to the Bank arising from either its inability to meet its maturing Short-Term obligations as they fall due or to fund increases in assets without incurring unacceptable costs. The management of this risk enables the Bank to minimise the timing of cash flows relating to its Assets and Liabilities to ensure that it regularly maintains the Primary Reserve requirement of 13% of Total Deposits as required by Bank of Ghana and ARB Apex Bank.

6.4 Operational Risk

Operational Risk is direct or indirect loss resulting from inadequate or failed internal and processes, staff and systems. These are managed by well designed operating manuals that reflect the main operating procedures, business continuity planning, reconciliations, internal audit and timely and reliable management reporting.

7 CAPITAL

7.1 The Objectives of Capital Management

The Capital Management Objective of the Bank is to ensure the financial net assets at the end of the financial year exceeds the financial amount of the net assets at the beginning of the year after deducting distributions to and adding contributions from the owners.

The objective is also to ensure that, at any time, the Stated Capital requirement by Bank of Ghana could be met and also to comply with the Capital Adequacy Ratio Regulatory requirements of Bank of Ghana. This is achieved by maintaining the appreciable level of profits to meet the expected Capital increases by Bank of Ghana.

7.2 Capital Description

The Bank's Capital is its Shareholders' funds comprising Stated Capital, Statutory Reserves and Income Surplus, which includes current and previous year's retained earnings. The current level of the Bank's capital complies with the existing minimum Stated Capital requirement of Bank of Ghana.
